

**Resolution of the Board of Directors  
Greater Delray Beach Chamber of Commerce  
March 26, 2008**

THIS RESOLUTION OF THE GREATER DELRAY BEACH CHAMBER OF COMMERCE IS IN SUPPORT OF FLORIDA POWER & LIGHT COMPANY BUILDING ADDITIONAL CLEAN-BURNING NATURAL GAS-FIRED POWER PRODUCTION AT THE SITE OF THE WEST COUNTY ENERGY CENTER LOCATED IN PALM BEACH COUNTY; FINDING ADDITIONAL POWER GENERATION AT THE SITE WILL BE TO THE BENEFIT OF THE RESIDENTS OF PALM BEACH COUNTY.

**WHEREAS**, The Gr. Delray Beach Chamber of Commerce recognizes the benefits of a clean burning, natural gas electric generating power plant and associated facilities in Palm Beach County; and

**WHEREAS**, The Delray Beach Chamber of Commerce recognizes Florida Power & Light Company will include state-of-the-art combustion turbines with best-in-class emission controls; and

**WHEREAS**, The Delray Beach Chamber of Commerce recognizes that Palm Beach County and the surrounding areas continue to grow and additional power capacity is needed to meet the energy needs of customers and supports the general welfare of the state; and

**WHEREAS**, Florida Power & Light Company has the obligation to provide adequate, safe and efficient electric power to its customers and Florida Power & Light Company recognizes the responsibility to provide safe, reliable, affordable electricity while keeping environmental concerns in consideration.

On Behalf of the Board

  
William J. Wood, President & CEO
