

STEM Classroom Makeover Grant

A \$50,000 grant to update technology to a 21st century learning environment, advance curriculum and increase exposure of Black students to STEM

This grant is intended to provide transformational learning opportunities for Black students in a classroom setting. Funds are available to address needs in infrastructure, technology or resources (i.e. software, equipment, books, training of teachers, tutors, paraprofessionals) to advance the STEM curriculum and increase exposure of STEM education and careers to Black students.

Investing in tomorrow's

NextEra Energy is committed to supporting our communities to help make them better places to live, work and raise a family. One way we do this is by supporting education programs that enrich students' experiences, as it relates to science and math programs, and which many times help break down barriers to opportunity.

To apply, visit:

FPL.com/ClassroomGrant

Applications are now open and will close Oct. 15, 2022.

Applicant Criteria:

- » Classroom must have a minimum of 25% Black students.
- » Applicants will be asked to declare Title One status (while not a requirement, will be given additional weight in selection process).
- » Applicants will identify a fiscal agent that will manage funds (preferred partner is local education foundation).
- » Applicants will be required to upload a W-9 for the fiscal agent and letter from principal supporting application.

The makeover must be complete by Sept. 1, 2023.

The Classroom Makeover Grant is a \$2 million, 4-year commitment from FPL's charitable arm, the NextEra Energy Foundation.

Each year through 2024, up to 10 schools will be selected to each receive the \$50,000 grant.

Public, private or charter schools — all grade levels — are encouraged to apply!
