# Smart investments to reliably serve a growing state

No other utility in the nation provides a better combination of high reliability, resiliency and low bills than FPL. Though inflation and the cost of many materials have risen, our focus on efficiency has helped us keep customer bills among the lowest in the nation for more than a decade, and our reliability is 59% better than the national average.

We want to continue to deliver this unparalleled value to customers today and as the state grows. Strengthening our commitment to smart investments in critical infrastructure and technology will enable us to continue offering among the most reliable service in the nation and further diversify how we generate electricity, all while continuing to drive out costs to keep customer bills as low as possible.

On Feb. 28, 2025, FPL filed a petition for a rate increase with the Florida Public Service Commission (PSC), If approved, the plan would phase in rate adjustments over four years, starting in 2026, and support investments that allow FPL to continue delivering reliable service in good weather and bad, diversifying our energy mix and keeping bills as low as possible.

### We're here to help

Eliqible seniors, low-income customers or those facing crises may be able to receive financial assistance for bill payment or qualified electrical repair through the FPL Care To Share® program. Funded by employees. shareholders and caring customers, our nonprofit agency partners help to distribute the financial support.

The virtual service hearings will be viewable online at the PSC's website. Visit www.FloridaPSC. com and look for the "Watch Live Broadcast" icon on the left side of the webpage. If you do not have access to the internet, you may call 850-413-7999 to listen to the hearings. Customer participation in the virtual hearings will be by phone. Customers may register to speak at the virtual service hearings in one of the following ways: (1) register using the PSC's online registration form, which will be available at www.FloridaPSC.com, under the "Hot Topics" heading, (2) call the PSC at 850-413-7080 or (3) email speakersignup@psc.state.fl.us. Online registration for the virtual service hearings will open on May 20, 2025, at 9 a.m. ET, and close at noon ET on June 2, 2025. One day prior to the virtual service hearings customers who signed up to speak will be provided further instructions from PSC staff on how to participate. Customers who wish to speak at the in-person service hearings may register upon arrival at the venue. Online registration is not available for in-person service hearings. All persons who wish to comment, either virtually or in-person, are urged to appear promptly at the scheduled times because the service hearings may be adjourned early if no customers are present to testify or when those present have testified. Please note that the order in which customers will speak is based on the order in which they register. If you have questions about the sign-up process. please call 850-413-7080. If you register to speak and wish to provide documents to the PSC. please do so by noon ET two business days prior to your registered hearing date. These documents should be sent electronically to the Commission Clerk, via the Commission's website (www.FloridaPSC.com), by selecting the Clerk's Office tab, then select Filing Documents Electronically. If assistance in filing your documents is needed, please contact the Clerk's Office at 850-413-6770. Customers who wish to speak in Spanish are encouraged to select a hearing at which an interpreter will be available. \*Denotes Spanish-language interpreter available

### Special accommodations

Those requiring special accommodations for the hearings should call the Office of Commission Clerk at 1-850-413-6770 no later than five days before the hearing. Any person who is hearing- or speech-impaired should contact the PSC by using the Florida Relay Service, available at 1-800-955-8771 (TDD).

### Other ways to provide comments

Customers may also provide comments regarding FPL's service or the proposed rate increase by calling the Commission's Office of Consumer Assistance and Outreach at 1-800-342-3552; emailing contact@psc.state.fl.us; or sending a letter addressed to the Commission Clerk, Office of Commission Clerk, Florida Public Service Commission, 2540 Shumard Oak Blvd., Tallahassee FL 32399-0850, Written comments should refer to Docket No. 20250011-FL

### Other resources

An overview of the rate request is available at www.floridapsc.com/ratecase-overviews. Matthew Vogel is the PSC representative for technical questions on this docket and can be reached by calling 850-413-6453. Shaw Stiller is the PSC's representative for legal questions and can be reached by calling 850-413-6187. Additional technical PSC representatives are: Accounting, Matthew Vogel, 850-413-6453; Rates & Charges, Corey Hampson, 850-413-6676; and Quality of Service/Engineering, Clayton Lewis, 850-413-6578. At any time during this process, you may contact the Office of Public Counsel (OPC). The OPC was established by the Florida Legislature to represent all utility customers before the PSC. The Public Counsel is independent from the PSC and can be reached at 1-800-342-0222.

### About the rate review process

Unlike the prices of many essential items that can change at any time, the amount you pay for electricity is closely regulated, with rate changes requiring approval from an independent regulator – the PSC. The PSC's mission is to facilitate the efficient provision of safe and reliable utility services at fair prices. This means the PSC oversees all rates and charges for electric service provided by utilities, such as FPL. To adjust rates, utilities must file a request with the PSC, which conducts a review process that mirrors a legal proceeding with testimony and formal hearings.

A summary of FPL's rate request for 2026 to 2029 and copies of supporting documents are available at **FPL.com/answers**. Look for the link to the PSC website, as well as a link to the Petition & Minimum Filing Requirements under the Documents and Resources section.

#### Timeline of activities The PSC has established the following dates to govern the key activities of the process Quality of service hearings May 28-June 6, 2025 Prehearing conference July 25, 2025 **Technical hearing** Aug. 11-22, 2025

The rate review process generally takes the better part of a year, and additional activities will be posted publicly on the PSC's website as they are scheduled.
