

About Your Bill

IMPORTANT INFORMATION FOR YOU

This guide has information about your monthly bill, including an overview of the charges for your electricity.

Providing you with America's best energy value

We're committed to providing you with electricity that's not just clean and reliable, but increasingly more affordable. We're making smart, long-term investments in innovative technology, clean energy and infrastructure to keep costs down for you while providing nationally recognized service reliability for electric bills that are below the national average.

We also want to help you find new ways to save money and make your bill even lower. Learn more about energy-efficiency programs and available rebates by visiting [FPL.com/bizprograms](https://www.fpl.com/bizprograms).

Service charges

The Florida Public Service Commission allows utilities to recover the costs of providing certain services.

- » **Service charge** of \$12 to open an account at a new premise.
- » **Service charge** of \$9 to transfer, open or reopen an account at an existing premise.
- » **Field collection charge** of \$26 is charged when a field visit is made and payment is collected on a delinquent account.
- » **Late payment charge**, the greater of \$5 or 1.5%, is applied to any past-due unpaid balance of accounts.
- » **Reconnect charge** of \$5 is charged for reconnection of service after disconnection for nonpayment.
- » **Returned payment charge** equal to \$25 for payments of \$50 or less, \$30 for payments of \$50.01-\$300, \$40 for payments of \$300.01-\$800, and 5% for payments greater than \$800.
- » **A meter tampering penalty** of \$500 for residential and non-demand commercial customers and \$2,500 for all other customers.
