About Your Bill

IMPORTANT INFORMATION FOR YOU

This guide has information about your monthly bill, including an overview of the charges for your electricity.

Providing you with America's best energy value

We're committed to providing you with America's best energy value—electricity that's not just clean and reliable, but also increasingly more affordable. We're making smart, long-term investments in innovative technology, clean energy and infrastructure to keep costs down for you while providing nationally regarded service reliability for electric bills that are below the national average.

We also want to help you find new ways to save money and make your bill even lower. Learn more about energy-efficiency programs and available rebates by visiting FPL.com/programs for residential customers, and FPL.com/bizprograms for business customers.
