MISCELLANEOUS

CLASSES OF

CUSTOMERS

Residential. Service supplied exclusively for domestic purposes in individually metered dwelling units and in duplexes and triplexes, including the separately metered non-commercial facilities of a residential customer (i.e., garages, water pumps, etc.). Service for non-metered outdoor lighting is also considered Residential when the lighting is supplied exclusively for domestic purposes. Service to commonly owned facilities of condominiums, cooperatives and homeowners associations is Residential, provided the service criteria as specified in FPL's Common Use Facilities Rider is met.

General Service. Service used for business and professional activities in establishments and for purposes not otherwise classified for rate purposes, including: airports, banks, billboards, boarding houses, churches, clubs, commercial buildings, freight terminals, garages, hospitals, hotels, motels, master-metered apartment houses, model homes, office buildings, parking lots, passenger stations, personal service establishments, restaurants, rooming houses, schools, self-service laundries, signs, stores, theatres and the like.

Industrial. Service to power equipment used for manufacturing or processing purposes, and to the lighting within and about the buildings, structures and premises housing and enclosing the power-driven and operated machinery and equipment and incident to the use thereof.

Public Street and Highway Lighting. Service for lighting public ways and areas.

Other Sales to Public Authorities. Service with eligibility restricted to governmental entities.

Sales to Railroads and Railways. Service supplied for propulsion of electric transit vehicles.

Sales for Resale. Service to other electric utilities for resale purposes.

SERVICE CHARGES

Connection of Initial Service - A \$13.00 service charge will be made for an initial connection.

Reconnection Charge - A \$5.00 Reconnection Charge will be made for the reconnection of service after disconnection for nonpayment or violation of a rule or regulation.

Connection of Existing Service - A \$9.00 service charge will be made for the connection of an existing account.

A Returned Payment Charge as allowed by Florida Statute 68.065 shall apply for each check or draft dishonored by the bank upon which it is drawn. Termination of service shall not be made for failure to pay the Returned Payment Charge.

Charges for services due and rendered which are unpaid as of the past due date are subject to a Late Payment Charge of the greater of \$5.00 or 1.5% applied to any past due unpaid balance of all accounts, except the accounts of federal, state, and local governmental entities, agencies, and instrumentalities. A Late Payment Charge shall be applied to the accounts of federal, state, and local governmental entities, agencies, and instrumentalities at a rate no greater than allowed, and in a manner permitted, by applicable law.

Field Visit Charge - Whenever payment for service is delinquent and a field visit is made to a customer's premise, a \$26.00 fee will be added to a customer's bill for electric service. If service is disconnected, this charge will not be applied.

FPL may waive the Reconnection Charge, Returned Payment Charge, Late Payment Charge and Field Visit Charge for Customers affected by natural disasters or during periods of declared emergencies or once in any twelve (12) month period for any Customer who would otherwise have had a satisfactory payment record (as defined in 25-6.097(2) F.A.C.), upon acceptance by FPL of a reasonable explanation justifying a waiver. In addition, FPL may waive the charge for connection of an existing account and the charge for an initial connection for new or existing Customers affected by natural disasters or during periods of declared emergencies.
